

The Speech Structure Building™ Method

by florianmueck.com

"Build any speech or presentation in no time in four simple steps."

Speech title		Message	
---------------------	--	----------------	--

Point X*: After listening to my speech the audience will _____ !

* Point X by conorneill.com

Steps 1 to 3 : Collect, select and order your speech content

1	Collect content Write a noun (subtopic) in each of the six boxes			
2	Select three Draw circles around the three most important subtopics			
3	Build climax Add an A (least important), B (more important) and C (most important) to the circles			

Step 4 : Build the Speech Structure Building™

4	CLOSING Summary ABC + Message + Point X (see above)		
	A _____	B _____	C _____
OPENING First sentence _____ + Message (see above) + Sign post (e.g. "There are three reasons for that." Or, " Three examples support my point.")
